Adalbert (Wojciech) Przybyło and Frances (Franciszka) Mroczek were married on 11/14/1773 at the Catholic Church located in Pilzno. Their children were born at House #17 in Bielowy.

It is not possible, at present, to determine the parents of either Adalbert Przybyło or Frances Mroczek. Nor is it possible to determine their exact age or place of birth. The church records for Pilzno during this time period were badly damaged or otherwise do not provide enough genealogical information to reconstruct family relationships. Michael E. Byczek has reviewed the actual records from 1669-1832. He has concluded that it is not possible to determine parents or siblings from these documents. Research is ongoing to obtain access to other documents to expand upon the church records. Refer to a separate documentary for analysis of known and verified records for the Mroczek families of Bielowy.

Adalbert Przybyło and Frances Mroczek had a total of nine known children. Most were born at House #17 Bielowy (Pilzno Parish). Early records did not include addresses,

Child	Baptism	Notes
Marianna	3/3/1776	
Frank (Franciszek)	10/3/1778	
John (Jan)	12/24/1780	
Paul (Paweł)	6/17/1783	
Matthew (Mateusz)	9/12/1785	
Valentine (Walenty)	1/10/1788	
Margaret (Małgorzata)	7/3/1790	Died in 1795 as a child
Andrew (Andrzej)	11/24/1792	Died in 1793 as a child

Baptism records for this time period did not list date of birth.

Their son Frank Przybyło married Barbara Bochenski in 1800 at the Pilzno Church. They are Michael E. Byczek's 5x-great-grandparents.

Adalbert Przybyło passed away on 7/28/1792 at House #17 Bielowy. His wife Frances was pregnant with their son Andrew, who was born four months later. The death record is presumed correct based on the address. He was 40 years old. This suggests an estimated year of birth as 1752.

There is a death record for a widow Frances Przybyło at House #17 in Bielowy who died on 3/29/1816. She was listed as 80 years old. This suggests an estimated year of birth of 1736. This would imply that when they got married in 1773, Adalbert was 21 and Frances was 37. This would further imply that Frances was 56 years old when her youngest child was born in 1792, which is not possible. It is reasonable to conclude that Frances was about 18 in 1773 and about 45 in 1792. This provides a birth range of 1747-1755, which falls within the period of baptism records for 1730-1757 that are almost entirely illegible.

Uncertainties

There were multiple Adalbert Przybyło families in the Pilzno parish. The lack of useful genealogical information in these documents creates uncertainty regarding how these families were related and limits the ability to cross-reference or verify later records (i.e. possible coincidences).

Additional Information

Adalbert Przybyło and Frances Mroczek are Michael E. Byczek's 6x-great-grandparents. Their son Frank Przybyło (5x-great-grandfather) married Barbara Bochenski in 1800 at the Pilzno Church. Their daughter Clara Przybyło (4x-great-grandmother) married Valentine Maziarka in 1821, also in Pilzno. Their daughter Sophia Maziarka (3x-great-grandmother) married Martin Krul in 1860 at the church in Przeczyca. Their daughter Victoria Król (2x-great-grandmother) married Adalbert Dudek in 1886, also at the Przeczyca Church. Their daughter Maryanna Dudek (great-grandmother) married Martin Byczek in Chicago, IL at St. Mary of Perpetual Help in the Bridgeport neighborhood in 1907. Their son Michael S. Byczek (grandfather) married Marie Flanagan in 1950 at St. Bridget's in Bridgeport. Their eldest child Michael M. Byczek (father) married Betty A. Bykowski in 1974 at St. Helen's on Augusta and Oakley in Chicago. They have two children, Michael E. Byczek (the eldest) and Katherine S. Byczek, both born in Bridgeport.

Michael E. Byczek has been compiling actual records for the Przeczyca and Pilzno Catholic Parishes over the past ten or more years through direct correspondence with diocese archives and access to digitized microfilm. He has gathered an extensive collection of documents, including land ownership records. This compiled documentary is intended as an accurate source of genealogy for Adalbert Przybyło and Frances Mroczek.

The Mroczek Families of Bielowy

Compiled by Michael E. Byczek
6x-great-grandson of Frances (Mroczek) Przybyło

Chicago, IL
michael@byczek.pro
<https://michaelbyczek.pro>

Michael E. Byczek's 6x-great-grandparents were Adalbert (Wojciech) Przybyło and Frances (Franciszka) Mroczek. They were married in 1773 at the Catholic Church located in Pilzno. Their children were born in Bielowy at House #17 in the Pilzno Parish.

The parents of Adalbert Przybyło and Frances Mroczek cannot be verified at present. Unfortunately, the church records for Pilzno during this time period do not provide enough information to fully reconstruct family relationships. The most important genealogical information was not included in these early records. This includes address numbers, maiden names, parents, and ages. Early death records for children did not even include the mother's name. To further complicate matters, the Mroczek and Przybyło surnames were quite common in Bielowy and other villages within the parish. There were multiple men, women, and children who had the same names who lived in the same villages at the same time. For instance, there were multiple married women named Agnes Mroczek in Bielowy who were part of the same extended family. There were at least two Adalbert Przybyło men who married women with the Mroczek maiden name. There were numerous instances of Mroczek and Przybyło families who were related, friends, and even those who lived on the same farm. It is also not possible to determine prior marriages.

Baptism records for 1730-1757, when Adalbert and Frances were born, were very badly damaged and are virtually illegible. Analysis of death records for those years is the only way to reconstruct baptisms (i.e. deceased children). However, the death records are very limited in genealogical data.

Michael E. Byczek painstakingly reviewed, at least partially, every page and entry for all digitized Pilzno baptism, marriage, and death records from 1669 through 1832. It is not possible to verify the identity of either Adalbert Przybyło or Frances Mroczek's mother, father, or siblings. He is currently pursuing alternate documents to expand upon the church records. However, it is not known at present whether such documents still exist or have been digitized for public access.

There were multiple Mroczek families in Bielowy at the time when Frances (Mroczek) Przybyło was born. There were multiple children named Frances Mroczek during this specific time period in Bielowy alone. It is not even possible to verify that either Adalbert or Frances were born in Bielowy or a different village. They may not have even been born in the Pilzno Parish.

The records that do exist provide significant insight into the extended Mroczek family, which may include siblings, cousins, aunts, uncles, and perhaps parents or even grandparents. The same has not yet been established for the Przybyło family. This may indicate that Adalbert was not from Bielowy, which is why the family was more associated with Mroczek relatives.

Godparents for the Children of Adalbert Przybyło and Frances Mroczek

A few patterns emerged from baptism records about who Adalbert Przybyło and Frances Mroczek asked to serve as godparents for their children.

<i>Child</i>	<i>Birth</i>	<i>Godparents</i>
Marianna	1776	Agnes Mroczek
Frank	1778	Agnes Mroczek (wife of Paul) - Bielowy
John	1780	Joseph Mroczek and Marianna Dziedzic (wife of Valentine) - Bielowy
Paul	1783	Valentine Papiernik and Marianna Mroczek (wife of Joseph)
Matthew	1785	Valentine Dziedzic and Marianna Mroczek
Valentine	1788	Joseph Mroczek and Marianna Mroczek
Margaret	1790	Adalbert Mroczek and Marianna Dziedzic
Andrew	1792	Joseph Mroczek and Marianna Mroczek

Analysis of Pilzno church records, especially for Bielowy, reveals the following observations:

1. Marianna Mroczek married Valentine Dziedzic. She appears to have been from House #3 in Bielowy. Both families served as godparents for each other's children. The marriage record identified Marianna as the daughter of John Mroczek.
2. There are death records for John Mroczek and Agnes Mroczek at House #3 in Bielowy whose ages support the conclusion they were Marianna's parents.
3. There was an Adalbert and Marianna Mroczek family who also lived at House #3 in Bielowy. It would appear that Adalbert inherited the farm from his parents John and Agnes Mroczek. Adalbert Mroczek was a godfather, as was an otherwise unidentified Marianna Mroczek.
4. There was a Paul and Agnes Mroczek family in Bielowy who lived at House #10 and #13. His wife, Agnes Mroczek, served as godmother. It is not possible to determine whether there was only one Paul Mroczek in Bielowy during this time period.
5. There was a Joseph and Marianna Mroczek family who lived at House #10, 12, and 13. This suggests that Joseph was the son of Paul and Agnes. Both Joseph and Marianna served as godparents.

These patterns show two distinct Mroczek families associated with Przybyło baptisms: (1) John and Agnes and (2) Paul and Agnes.

Both of these families had a daughter named Frances Mroczek. Paul is not Frances (Mroczek) Przybyło's father because that daughter died. It is unknown what happened to the daughter of John.

The fact that John Mroczek from House #3 had a daughter Frances does not prove that this particular baby and Frances (Mroczek) Przybyło was the same woman. That daughter was born in 1759. This would mean that Frances (Mroczek) Przybyło was 14 years old when she married Adalbert Przybyło in 1773. Any such narrative or conclusion about a 14-year-old girl requires verified actual records that clearly show her age in 1773, not speculation.

It is reasonable to conclude that Adalbert Mroczek and Marianna (Mroczek) Dziedzic from House #3 were brother and sister. Furthermore, it would appear that Joseph Mroczek was not a brother, but perhaps the son of Paul. Therefore, Frances (Mroczek) Przybyło necessarily asked her cousin(s) to serve as godparents. This shows that just because a godmother or godfather had the Mroczek surname, he/she was not necessarily a sibling.

The biggest uncertainty is Frances (Mroczek) Przybyło's death record in 1816. She was listed as 80 years old with an estimated year of birth as 1736. Her husband Adalbert Przybyło died in 1792 at the age of 40. This would mean that when they got married in 1773, Adalbert was 21 and Frances was 37. This would further imply that Frances was 56 years old when her youngest child was born in 1792. It is more reasonable to conclude that Frances was about 18 in 1773 and about 45 in 1792. This provides a range of 1747-1755, which falls within the period of baptism records for 1730-1757 that are almost entirely illegible.

John and Agnes Mroczek

There were two adults named John Mroczek who lived in Bielowy at the same time. It is not possible to distinguish between the two families at present.
